Vaccinations

All cats must be vaccinated against panleukopenia and cat flues. It is not allowed to show a cat that has had a vaccination or booster less than 15 days prior to the show and the first cat flu vaccination has to be boosted. The vaccination certificate must be given by a vet and include the following information: vaccination date, name of the vaccine and the validity of the vaccination. **The cat flu vaccinations are valid for maximum of one year from the date of vaccination**, other vaccinations according to validity stated by the veterinarian.

Catalogue and achieving titles

Catalogues are sold in the info desk for 5 €. If you have paid for the catalogue in advance you get yours from the entrance hall in the morning. Let us know if there are mistakes in the catalogue. The secretariat is on the main floor and there will be clear instructions that help you to find it. If your cat can get a title please come to the secretariat after you have gotten the diploma.

Cages

The size of our cages is 65 x 65 x 56cm. We do not have double cages. If you bring your own cage, it must fit on the space of a normal cage. Remember to keep your cage and the surroundings tidy during and after the show. The cages are not numbered, but each row is marked for a specific breed. Please attach your cat's number to the cage. Own alcohol is not permitted in show hall.

Leaving the show early

Every cat must stay in the show hall until the show closes. In special circumstances you may apply for a permit to leave early from the show manager: Samuli Mustonen tel +358-45 8846992, np@turok.fi. The permit must be applied in writing before judging starts, ask the info desk for help. Cats that have applied permission to leave early are not permitted to take part in nominations.

In this show the owners are allowed to present their cats to the judges themselves. Only one person, who must be at least 15 years old, is allowed into the judging area. If the owner is unable to present the cat him/herself, the steward is there to help.
